

Let's Work
Together!

Belle Brunner

Owner of Seams Sew Me

About Me

I am a quilt pattern designer, national educator, guild consultant, YouTuber and industry collaborator. I focus on confident beginner patterns which always include video tutorials for visual learners. My patterns are with four major distributors and the Fat Quarter Shop. I have a small quilting retreat home that will open in the Spring of 2024. I love working in this industry and making 'lovely things'!
